New Staff

Physical Education 11th Grade Business Unit

Nadine Vandenburg

Her parents introduced her to gymnastics at the age of 3 1/2. At age 4 she became a student of the School of Olympic Reserve in Russia. She chose artistic gymnastics, and had 6 hours per day of training. At age of 14 she began coaching. In Canada she has worked as coach of gymnastics with Boys and Girls Club.

KVA's physical education philosophy is that students learn to make a personal commitment to fitness and healthy nutrition. Tuesdays are devoted to fitness and Fridays to group sport activities (fun-time).

Ms. Vandenburg has her doctorate degree in Business Management and will teach the Business component to the 11th grade students beginning Term 2. She is also KVA's PR Manager.
